## Special Ingredients

**Biotin** - Biotin, a water soluble vitamin is required by the enzymes responsible for protein synthesis and as a result is an essential vitamin for the healthy growth of hair and hooves. Research has shown that biotin improves skin and coat condition, increases hoof integrity and is widely recommended by farriers, veterinarians and scientists.

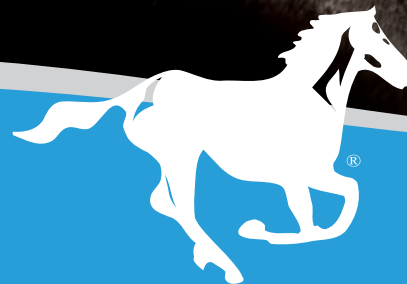

**Bio-Mos®** - Bio-Mos® is a unique form of Mannan Oligosaccharides derived from the outer cell wall of a select strain of yeast using a proprietary process developed by Alltech. Bio-Mos® has a defined mode of action and is incorporated in HYGAIN® SHOWTORQUE® to maintain a healthy immune system and support natural defences essential for optimum performance.

**HYGAIN® RBO® Equine Performance Oil®** - HYGAIN® RBO® Equine Performance Oil® is a blend of rice bran oil, omega essential 3,6 & 9 fatty acids and natural anti-oxidants known to improve the health and structural integrity of cell membranes. HYGAIN® RBO® oil plays an important role in maximising energy efficiency due to its energy dense nature and is digested efficiently in the small intestine reducing the 'sugar high' associated with high grain diets. HYGAIN® RBO® promotes growth and development of the muscular system, top line and a healthy skin and coat.

**Natural Vitamin E** - This unique and highly stable form of Natural Vitamin E known as RRR- $\alpha$ -tocopherol is up to 5 times more bio available and potent than regular synthetic sources of Vitamin E. Research has shown that this form of Natural Vitamin E provides higher retention levels in plasma further aiding antioxidant, immune, cardiovascular, circulatory, neuromuscular and reproductive functions.

**Vitamin B1** - Vitamin B1 aids in energy utilisation and may help to keep horses calm.

## A diet for premium performance

A no fizz, no fuss, high fat, non cereal grain, biotin enriched micronized sweet feed concentrate formulated for all classes of equestrian horses.

### Product Features

- ✓ Hy-Fibre Non Cereal Grain Formula
- ✓ Bio-Mos®
- ✓ Daily Dose of Biotin (10mg/kg)
- ✓ High in Vitamin B1 - No Fizz
- ✓ Amino Acids for Topline
- ✓ Hy-Fat Cool Conditioning
- ✓ Natural Vitamin E (725 IU/kg)
- ✓ HYGAIN® RBO® Equine Performance Oil®

### Analysis as fed

Crude Protein.....	20%	Phosphorous.....	0.6%
Crude Fat.....	9%	Vitamin B1.....	500 mg/kg
Max Crude Fibre.....	16%	Vitamin E.....	725 IU/kg
Added Salt.....	1.25%	Selenium.....	1.4 mg/kg
Calcium.....	1%	Biotin.....	10 mg/kg

### Ingredients

SHOWTORQUE® is a blend of the following quality ingredients: MICRLUPINS®, MICRBEANS®, Sunflower Seeds, Full Fat Soya-bean Meal, Soya-bean Meal, Canola Meal, Hy-Fibre Lupin Hulls, Pollard, Lucerne Meal, HYGAIN® RBO® Equine Performance Oil® (Rice Bran Oil including Omega 3, 6 & 9 essential fatty acids and Natural Anti-Oxidants), Natural Vitamin E, Molasses, Calcium Carbonate, Di Calcium Phosphate, Salt, HYGAIN® Vitamin and Chelated Mineral Premix, Lysine, Methionine, Vitamin B1, Bio-Mos®, Yea Sacc®<sup>1026</sup> (APVMA App. No. 40538) and Bio-Available Selenium and Biotin.

### 1kg of HYGAIN® SHOWTORQUE® provides the following levels of nutrients (as fed)

Lysine.....	10 g	Iron.....	285 mg	Vitamin B1.....	500 mg	Pantothenic Acid.....	32 mg
Methionine.....	2 g	Zinc.....	260 mg	Vitamin B2.....	23 mg	Folic Acid.....	7 mg
Calcium.....	10 g	Manganese.....	235 mg	Vitamin B6.....	8 mg	Biotin.....	10 mg
Phosphorous.....	6 g	Copper.....	95 mg	Vitamin B12.....	69 ug	Choline.....	1100 mg
Magnesium.....	6 g	Iodine.....	2 mg	Vitamin D3.....	2100 IU	Bio-Mos®.....	5000 mg
Sodium.....	5.5 g	Cobalt.....	0.63 mg	Vitamin E.....	725 IU	Yea Sacc® <sup>1026</sup> .....	5000 mg
Potassium.....	9 g	Selenium.....	1.4 mg	Vitamin K.....	11 mg		
Chloride.....	8 g	Vitamin A.....	31700 IU	Niacin.....	84 mg		

### Feeding Guide

HYGAIN® SHOWTORQUE®'S high fat, non cereal grain, biotin enriched formula provides topline conditioning, the energy for competition and a healthy GLEAMing coat without the "fizz" associated with a high grain diet. All you have to do is add roughage.

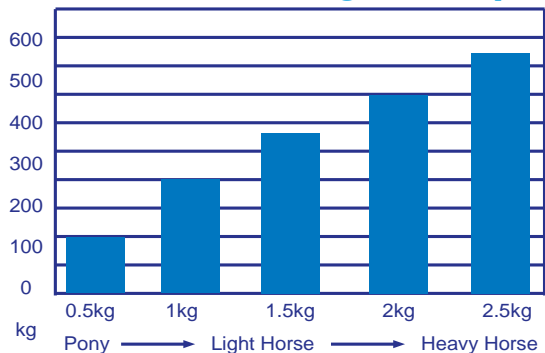

HYGAIN® SHOWTORQUE® should be introduced to your horse's diet gradually. Feeding amount may be influenced by age, breed, appetite, exercise, desired body condition, pasture/hay quality and availability and climate.

HYGAIN® SHOWTORQUE® should be fed in conjunction with quality pasture, hay and/or chaff.

HYGAIN® SHOWTORQUE® is a nutritious palatable feed concentrate. Care should be taken to match feed intake to body condition and workload.

Reduce feed intake on rest days, if horses gain weight and/or training regime is interrupted.

### SHOWTORQUE® Feeding Guide by Weight

*\*Intended as a guide only, all variables should be taken into consideration*

### Feeding Tips:

1. Introduce HYGAIN® SHOWTORQUE® to your horse's diet gradually over a 7-14 day period.
2. Feed by weight and not by volume.
3. Feed a minimum of 1% of your horse's body weight daily as roughage.
4. Horses have a small stomach, so feed little and often.
5. Ensure horses have access to clean water.
6. Do not add additional vitamins or minerals unless directed by a veterinarian or nutritionist.
7. For dietary recommendations and nutritional solutions contact HYGAIN®.
