### Ingredients

SPORTHORSE® is a blend of the following quality ingredients: Soybean Meal, Canola Meal, Lucerne Meal, Calcium Carbonate, Hygain® Vitamin and Chelated Mineral Pre-Mix, Chromium Yeast, Selplex® Bioavailable Selenium, Bio-Mos®, Dicalcium Phosphate, Vitamin E, Yea Sacc®1026 live yeast culture, Flavour Enhancers.

### Why use HYGAIN® SPORTHORSE®?

HYGAIN® SPORTHORSE® is scientifically formulated to provide balanced levels of essential amino acids, bio-chelated minerals, vitamins and anti-oxidants required by performance horses in all stages of training. This unique formula provides a palatable easy to use nutrient source for horses where diets may be mineral and / or vitamin deficient.

HYGAIN® SPORTHORSE® is a convenient cost effective concentrate in a pelleted form, so there is no sifting out of powders to the bottom of the feed bin and you know exactly what your horse is receiving.

Choosing the correct supplement for your horse can be a minefield. The shelves of saddleries and feed stores are filled with a multitude of buckets, bottles and casks delivering all manner of nutrients from Calcium to B-Groups, Selenium to Amino Acids.

The nutrient composition of many vitamin or trace mineral products often requires horse owners to feed multiple additives just to meet their horse's broad but basic needs.

By contrast HYGAIN® SPORTHORSE® is a complete and balanced multi vitamin and mineral supplement that meets your horse's needs in just one convenient dose.

Help your horse achieve peak performance, supplement its diet with HYGAIN® SPORTHORSE®.

### Daily Dosage

Introduce HYGAIN® SPORTHORSE® to your feeding program over a 7 day period.

	Spelling	Light Work	Heavy Work
200kg or less	30g	40g	50g
250kg	40g	50g	75g
